

15TH ANNUAL **GOLF OUTING**

Monday, July 14, 2025 | 12:00 pm

"CHILDREN ARE LIKELY TO LIVE UP TO WHAT YOU BELIEVE OF THEM." — LADY BIRD JOHNSON

Dear Partners For Change Supporter,

At Partners For Change (formerly Covington Partners), we believe every child holds boundless potential. Through mentoring that creates powerful relationships, Out of School Time Programs that spark curiosity and growth, the Pink Link Project providing essential period products, and initiatives that empower parents and families in their child's education—we are committed to helping students thrive.

Our 15th Annual Golf Outing isn't just a day on the course—it's a vital source of funding that directly fuels these programs, ensuring students in Northern Kentucky receive the support, guidance, and resources they need to succeed in school and in life.

As we expand our services throughout the region, your support is more important than ever.

By becoming a sponsor or signing up to golf, you'll not only enjoy a fantastic day on the greens, but also make a lasting impact on the lives of young people in our community. Sponsorship also provides valuable exposure to individuals and businesses across Greater Cincinnati and Northern Kentucky, along with nearly 8,000 engaged social media followers and newsletter subscribers.

For the past 14 years, I've had the privilege of participating in our Annual Golf Outing—one of my favorite days of the year. It's incredible to see friends and colleagues come together to enjoy a day of sunshine, camaraderie, and a shared love of the game, all while making a meaningful impact on the students in our region. This year, I'm inviting you - whether a new friend or old - to join us in investing in the future of our region.

Sign up today as a golfer or sponsor and be part of our mission. Visit <https://bit.ly/3EPWO7o>

I hope to see you out on the course,
